## Reliable energy, limitless potential

Nigeria's journey is our journey. From inception, we have been striving to build a sustainable business anchored on vital strategic priorities. Seplat Energy's new business direction reinvigorates its three key priorities:

- Driving social development
- Focusing on environmental care and reporting
- Maximizing returns for all stakeholders

We are driven by our core values of **SAFETY, INTEGRITY, PARTNERSHIP, AMBITION** and **AGILITY** to build a broader energy business for a cleaner and sustainable energy supply for Nigeria.
